WEST POINT
HOSPITALITY

With a focus on hospitality needs, Martex® Clean Essentials comprised with SILVERbac™ antimicrobial technology, provides properties confidence offering guests a pure, pristine stay. Martex® Clean Essentials products allow a significant contribution to sustainability and are OEKO-TEX® certified. The reduction of water temperature, chemicals, and wash cycles reduce the environmental impact from the laundry without sacrificing quality standards. This pure silver, proprietary technology is permanent for the lifespan of Martex® CLEAN Essentials products.
